ASSE Membership

John E. Braun, CHST (Penn Jersey Chapter) is the 2006-2007 ASSE Member "Get A Member" Recruitment Campaign grand prize winner. Chosen from a random drawing of all participants, John won a trip to Hawaii for two, valued at \$5000. Top recruiters also won cash prizes. Student sponsor winners won cash prizes and dues paid for the year.

The next contest for 2007-2008 has begun, with the theme "Join the Fiesta and Win a Siesta." The grand prize will be a trip to Mexico for two. The contest for chapter percent increase in membership growth will be brought back, along with cash prizes for the top three individual recruiters. In order for the campaign's timing to better coincide with the needs of the chapters, the campaign will run from April 07 to June 08, and in the future will run from July to June. Heavy marketing of this campaign will begin in early June.

West Michigan ASSE Volunteer Opportunities

Are you looking for a way you can become more involved with the West Michigan Chapter of the ASSE? We have a position open for a Program Planning Committee Chair and Representative to the House of Delegates. Some of the responsibilities include organizing the chapter monthly meetings from September through June or representing our Chapter at National ASSE events.

If this sounds like more than you can handle, but you would still like to be involved, you could be on the Program Planning Committee or the other various activities of the Chapter.

Contact Heather Kubiak, Chapter Secretary if you are interested.
