Pat Knight - 25 Years of Service

A special "Thanks" goes out to Pat Knight, CSP who recently celebrated 25 years of service with the ASSE. Pat has also assumed a new position with Dawn Food Products, Inc. in Jackson as the Western Region Safety Director. Thanks for your 25 years of service and time you devoted to our chapter.

May Meeting Wrap-up

Our May meeting was held at the Kent County Recycling Education Center and was well attended by several representatives from throughout the West Michigan region. We had an educational and informative presentation on Flammable and Combustible Liquids from an industry expert intertwined with active discussions about real life scenarios in both industry and home. The gracious facility hosts provided our group with an excellent opportunity to learn about and explore the new state of the art recycling center.
