West Michigan Chapter of the ASSE Newsletter

May 2009

Inside this Issue:

Jobs, News & Notes 2

May Meeting:

On Thursday, May 21st, Tim Kearny will present a Respiratory Protection update and include a discussion on cartridge service life estimation. The meeting will be at the Wyoming BPW: 2660 Burlingame.

Cost is \$10 and breakfast starts at 8am.

Please RSVP directly to Heather Kubiak by 5/18/09 if you would like to attend.

KubiakH@ci.wyoming.mi.us

June Golf Outing:

See below for details.

June Golf Outing

The 2009 West Michigan ASSE Golf Outing will be on Friday, June 5th at the Pines Golf Course in Wyoming, MI. The shotgun start will begin at 8:00am and the driving range and practice green will be open prior to 8:00am for those that would like to get a little practice. Lunch will be served around noon. The cost for golf with lunch included is \$40 or you can join us at lunch (without golf) for only \$15.

Hole sponsorship is available for \$50 and will include sign with the company logo proudly displayed and a special note of thanks. The sponsorships will support the Chapter scholarship fund and other charitable activities. Donations of door prizes are welcome and needed.

Please RSVP to Jamie Bauer at: Jamie.M.Bauer@jci.com

Unemployed....Need help?

Propel Search Group specializes in placing Occupational Health Nurses and Environmental Health and Safety Professionals. With today's tough economy, we've been getting a lot of resumes from people who have been laid off and/or are unemployed; many for the first time ever.

To help everyone find work, we have decided to post resumes of unemployed OHNs and EHS professionals for free on our website. They will be viewable for all to see for up to one year.

Send your resume as a Word Document to: resume@propelsearchgroup.com

Propel Search Group will direct companies looking for candidates to check out our website first with no recruiter fees attached. It can be viewed at www.propelsearchgroup.com.

It's up to everyone to help jump-start this economy! This is one small way we can utilize the tools we have to help get people working. Of course, we're still in the business of recruiting and placing candidates. If our client companies cannot find who they are looking for on our website, we can conduct a customized search by direct recruiting.

If you know of any hiring manager that is looking for qualified OHNs or EHS professionals, please tell them to check out our website early and often. We already have nearly one hundred, and will be adding new resumes as we receive them.

Contract Loss Control Service Representative

Insurance and Safety Services (ISS) is seeking an Independent Contractor to conduct Property Surveys in Michigan. The ideal candidate will be an exceptional communicator, with professional style and have an excellent background of construction basics; building components including electrical, plumbing, roofing, & HVAC. Knowledge of NFPA and General Liability insurance coverage issues as well as environmental issues are also of importance. For immediate consideration please send your resume to: info@inssafety.com
