## December Meeting

### **Friday, December, 4th - Grand Rapids Griffins vs. Rockford Icehogs**

The meeting will be at the Van Andel Arena, doors open at 5:30. We have a banquet room reserved for our group, as soon as I know the exact room, I'll pass that along. Tell them at the door you're with WMASSE, and they'll let you in to the room where you'll get your ticket from me, Jamie Bauer.

We'll have complementary non-alcoholic beverages in the room. It is also \$1 beer and dog night (6-8pm) at the arena. At around 6:15 we'll have the Director of Safety\* for Van Andel Arena give a short presentation about guest/employee safety. Then, the Vice President\* of the Griffins will give a brief overview and history of the team some of their achievements.

At approximately 6:45 we will wrap up and head up to our seats, (they will scan our tickets as we leave the banquet room). And not forgetting to grab a few \$1 beers and \$1 dogs on the way up to our awesome seats.

Our seats are in the second level, center ice, somewhere in the first few rows, to be confirmed soon. 7:00pm the puck drops for what is sure to be a great game featuring our future (and possibly some present) Detroit Red Wings!

All this for only \$12 per person (Face value of tickets are \$13/each), children under 2 years old get in free!  
This event is open to all friends and family, PLEASE invite the whole crew!

Please RSVP to Jamie Bauer by the end of the day on November 6th.

*\*Availability of specific speakers is subject to change, but we've been guaranteed someone in a "High" position.*

## ASSE Service Recognition

The following West Michigan ASSE members have recently celebrated their 25th year as an ASSE member.

Congratulations to Timothy Sack, Richard Perry and Kevin Quigley.

## SeminarFest 2010

**February 14-20, 2010 in Las Vegas**

### Continuing Education and Training for the Safety Professional

SeminarFest is an excellent opportunity to earn up to 5.0 CEUs/COCs in one week. With over 50 seminars ranging from one to three days in length, SeminarFest offers essential technical, management, and skill development topics for the Safety, Health, and Environmental professional. Whether you join us for one day or the full week, this event will satisfy your continuing education needs in safety and health.

#### Here's How It Works

SeminarFest 2010 offers a wide-variety of safety management seminars at one location, the Flamingo Las Vegas. You may register for seminars as needed to complete training and earn up to 5.0 CEUs/COCs. Each seminar is individually priced and discounts are given as you increase the number of seminars you select.
